

MAXWELTON GOLF CLUB

Dear Valued Members -

My name is Kyle Miller, and I am the new Head Golf Professional at Maxwelton Golf Club. I wanted to reach out to you and share a little about myself. I cannot put into words how grateful I am for this opportunity. Golf has been a constant in my life since I could walk and I am very thankful for my parents, Jim and Shelley Miller, for getting me started on this path. I have always had a passion for golf and have known since I was a teenager that my career path would be in this field. I am also very thankful to my wife, Leah Miller, for supporting me on this endeavor. Leah was born and raised in Palm Beach Gardens, Florida, and I am very thankful to her for being willing to leave paradise and put up with these hardly bearable winters. We have two perfect (to us) children, a son, Colton 5, and a girl, Riley 10 months. I know they will be spending a good deal of time at the course and look forward to getting to know you all.

I would like to thank you for your support of Maxwelton Golf Club. We just came off a very exciting year under new ownership, and continue to be excited for what the future holds. I would like to thank our new owners for all the upgrades that were done, and the continued investments in the course that will be coming to fruition this year. I also need to thank Gene and Phyllis for all the hours they put in to make sure things operated smoothly all year. Thank you to those of you who participated in our survey. Your suggestions and concerns have been heard. There will be no increase in membership dues or annual cart fees. Included in your membership we have set up reciprocals with (7) other area courses. You will have access to play these courses for \$25 w/cart included. At no fault of our own, we did have to increase the yearly handicap fee as the Indiana Golf Association increased our fees to \$35.00 per person with an active handicap. You also will notice the Men's Association fee will be now be \$30.00 for the year. This allows us to host our end of the year dinner and supply all awards.

We had a great turnout for the Tuesday night Men's League. We will be doing it again this year, but break it up into (3) separate (7) week segments to keep interest and participation high. I look forward to working with the Ladies Association and helping them grow and host new events.

During this off-season we will be remodeling the restrooms. We will also be purchasing new equipment for the grounds crew that will ensure more consistent greens throughout the year. Our sand traps were also a major concern and there will be improvements to make them more player friendly. I have been working with a handful of different apparel companies to get merchandise in the pro shop that is high quality but for a more reasonable price. We are no longer Titleist exclusive so we will be able to offer different brands that will suite your personal preferences. You may notice fewer clubs/equipment in the pro shop. It is my belief that you should be able to order equipment exactly the way you want it, and not have to settle for what companies send as "standard" issue. I strive to earn your loyalty on all your clothing/equipment needs and will do everything I can to match or beat any competitors' prices.

Finally, be sure to consider taking advantage of our special offer of \$100 Off your club membership for every new member that you refer. That is a great incentive to invite friends to be a part of the Maxwelton family.

Thank you all again. Can't wait for Spring!!
